

Include Youth is a regional rights-based organisation for young people aged 14 – 24 who are in or leaving care, those from disadvantaged communities or whose rights are not being met, to improve young people’s employability, personal and social development. Include Youth provides direct services to young people in or leaving care (including unaccompanied minors and asylum-seeking children) who are not in education, training or employment through our Give and Take Scheme.

Include Youth influences public policy in the areas of youth justice and youth employment. All our work is underpinned by the voice of children and young people, evidence-based practice and international children’s rights standards.

Include Youth is seeking to create a bank of part-time Youth Workers, Essential Skills Tutors, ESOL Tutors who may be called upon to complete both short and longer term paid work on our sites throughout Northern Ireland.

If you have a desire to make a difference in young people’s lives and want to work within a dynamic team, committed to excellence and best practice, please apply. Supervision and support will be provided.
